85/100/130/150

Smart Screen

Transparent screen med optisk komfort. Undertrykker det intense sollys uden det opleves for mørkt.

- Special legering sikrer god holdbarhed.
- Flere motormuligheder – ex batterimotor med solfanger eller online kommunikation.
- Forstærket screenstof fremstillet af optimale materialer giver stor modstandsdygtighed.
- Zipp-lås giver stor holdbarhed og beskytter mod insekter og hårde vinde.
- Størrelse op til 700 x 600 cm.
