HOW TO HANG PENCIL PLEAT CURTAINS

OPHÆNG AF GARDINER MED RYNKEBÅND

1

DK/NO/SE: Bind en knude i den ene ende af rynkebåndet.
EN: Secure the cords at one end of the heading space by tying a knot.

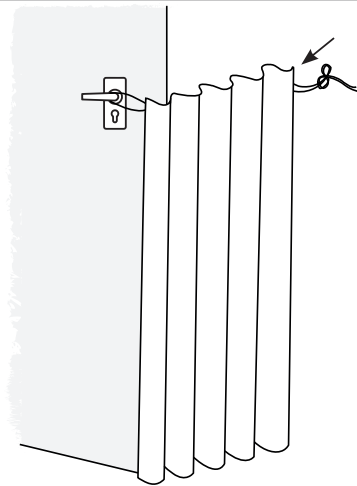

2

DK/NO/SE:

- 2.1. Sæt knuden fast i f.eks. et dørhåndtag og rynk stoffet op.
Delt model/to baner: rynkes til det fylder halvdelen af gardinstangens bredde + 10cm. Gentages for begge baner.
Samlet model/én bane: rynkes til det fylder stangens bredde + 10 cm.
- 2.2. Rul den resterende snor sammen og gem det i rynkebåndet.
- 2.3. Fordel rynkerne jævnt over hele længden.

EN:

- 2.1. Attach the knot to a door handle and scrunch the curtain into pleats.
Two lanes: scrunch the curtain until it is half the length of the pole + 10 cm. Repeat this process for the other curtain lane.
One lane: scrunch the curtain until it is the length of the pole + 10 cm.
- 2.2. Gather the remaining strings and create a slip knot. Tuck the knot into the pocket between the curtain and the heading tape.
- 2.3. Distribute the pleats evenly.

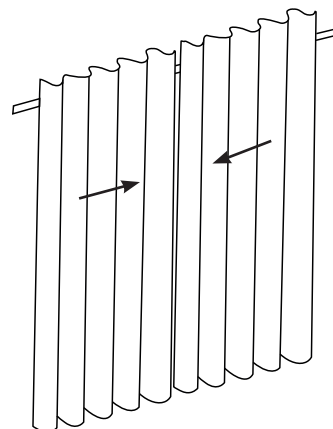

4

DK/NO/SE:

Test at gardinet dækker hele vinduet, når der er trukket for. Hvis gardinet ikke dækker, bindes snoren op i den ene ende, og rynkerne trækkes lidt fra hinanden. Afslut med at binde snoren igen.

EN:

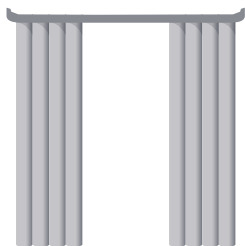

Test that the curtain covers the entire window. If the curtain does not cover, tie up the knot at one end and pull the pleats slightly apart. Finish by tying the knot again.

INSTALLATION MANUAL

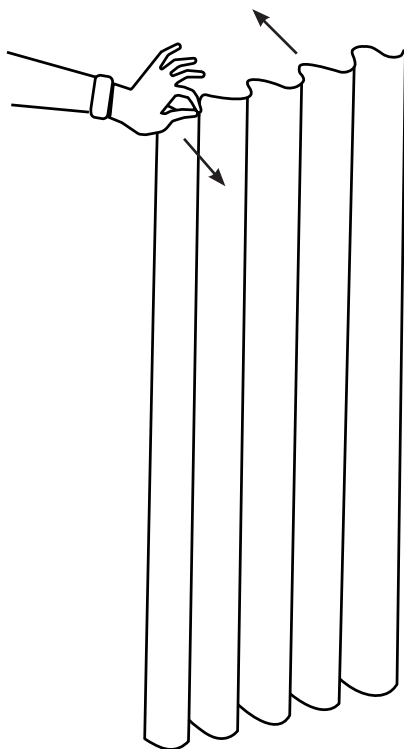

CURT - OPHÆNG AF GARDINER MED RYNKEBÅND

5

DK/NO/SE: For at lave ensartede folder skal gardinet skiftevis trækkes frem og skubbes tilbage øverst mellem hver hægte. Slut af med at trække frem.

EN: In order to make uniform folds, the curtain must be pushed forward and back alternately between each hook. Finish by pulling forward.

6

DK/NO/SE: Fold gardinet sammen i lige store folder forneden og afslut med at sætte et bånd eller lignende omkring gardinet. Lad gardinet hænge sådan i ca. 14 dage for at sikre smukke og ensartede folder. Husk at flytte båndet jævnlige.

EN: Fold the curtain in equal pleats at the bottom and finish by putting a ribbon or similar around the curtain. Let the curtain hang like this for approx. 14 days to ensure beautiful and uniform folds. Remember to move the ribbon regularly.
